Reliable Help in Uncertain Times

This past year has presented challenges that we could not have imagined. With your help, SnowCap has not only remained open to serve, we are able to offer extra visits to those who need it.

"I cannot tell you how much SnowCap means to our family!" Emily, recent client.

Several months ago, Emily came in need of food for her family. Her family budget was tight and a friend told her about SnowCap. "Everyone was so nice and there were many extra items that made our day. Diapers, masks, shampoo and toilet paper were all things that we really needed. I can't wait to volunteer once we are back on our feet."

What about clothing?

One item that we could not help Emily with was clothing. She shared how her kids have outgrown their clothes and that there just isn't extra money right now to buy them. This need is echoed by hundreds of our clients and we are thrilled to say that the wait is nearly over! Our friends at Harsch Investment Properties, LLC, are gifting SnowCap the use of a large retail space at Gresham Station to distribute clothing for the next several months! This is a HUGE relief for families, and we are beyond grateful for this opportunity.

SnowCap needs your help!

Your support makes SnowCap's work to feed and clothe low-income families possible. Your support is needed to continue meeting the basic needs of people in need. On the other side of this page, I have included a list of current needs and ways you can help. Thank you for being part of what makes SnowCap a caring source of help.

Be safe and stay well,

Kirsten Wageman

A HUGE thank you to our caring friends at Harsch Investment Properties for donating temporary space for SnowCap to safely offer clothing to those who need it in the coming months. This generous gift means the world!

Thank you for being there in our time of need. You gave us hope when we didn't have much left.
